R&D Ton (CZ)

EN

The foundations of the 811 Collection were laid almost a century ago by renowned Austrian designer Josef Hoffmann, who designed an eye-catching interplay of curved shapes that together create a very comfortable sitting experience. The Art Nouveau inspiration is clear here, but still allows us to combine a cane-weave backrest with an upholstered chair or barstool seat. The 811 Collection's timeless design has been reincarnated by Swedish design studio Claesson Koivisto Rune, who re-interpreted it for the modern world.
