Surprising  
lightness

e-ggs (IT)

EN

The Leaf collection, designed by the Italian studio e-ggs, consists of a chair, two barstools and a table. The common element of Leaf chairs is the shaped plywood seat, which recalls natural shapes and gives the product physical and visual lightness. Stability and strength are guaranteed by the solid bentwood structure. The Leaf table's tabletop shape and rounded detail at the top of the legs match the rest of the collection.
