The Merano product range includes a chair, an armchair, a lounge chair, a barstool and a handy trolley for stacked Merano chairs. Flexible plywood and the sharp leg lines unify the entire furniture set. The glued construction of these minimalist, all-wood products makes them shine – they are solid, despite not needing a single screw. This is our best-selling collection worldwide. The models' success is confirmed by the many awards the series has one, such as the Red Dot and Good Design.
