

Wardrobes

Origami

The Origami hinged door wardrobe brings the concept of design and functionality to new heights. Its distinctive element, the folding door, transforms this wardrobe into an innovative and highly functional aesthetic solution offering a unique experience of both accessibility and practicality.

FOLDING DOOR: PRACTICALITY AND STYLE

Origami's distinguishing element is the folding door. This revolutionary design adds a surprising dimension to the wardrobe, combining aesthetics and functionality in a single element. The folding door opens smoothly and quietly, offering an easy access experience to its contents.

THE HANDLE IS THE HEART OF ORIGAMI'S DESIGN

Origami embraces design minimalism thanks to the handle that extends along the full height of the wardrobe. This profile is harmoniously integrated into the frame, giving this wardrobe an elegant and timeless silhouette. In photo Origami door in castoro oak wood and black metal handle.

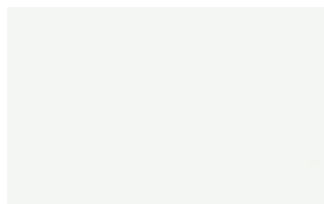

FINISHES

Which colour do you prefer among those selected by Dallagnese for Origami? 32 different options for both glossy and matt lacquers, 9 choices of special lacquers and a wide selection of materials and woods.
