TREVISO

Italian
Stackability

Tom Kelley (DE)

EN

This product family relies on a square motif, which can be found on the backrest as well as in the gently bent square legs. Treviso products are unassuming in your interior and do not draw too much attention to themselves; they are simply part of the space and useful where they are needed. The chairs and even the armchairs can be stacked up to four high.

FIRST DESIGNED IN 1997 FOR A LOGOTYPE, DALA FLODA EVENTUALLY BECAME THE HEADLINE TYPEFACE FOR THE ART MAGAZINE FRIEZE IN 2005. SINCE THEN THE FAMILY HAS GROWN CONSIDERABLY, WITH THE ADDITION OF AN ITALIC AND A RANGE OF HEAVIER WEIGHTS, ALL THE WAY UP TO A FAT WEIGHT.
