### MODULARITY OF WALL BOISERIE PANELS

### MODULARITY OF WALL HEADBOARD PANELS

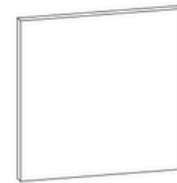

### PANEL TYPES

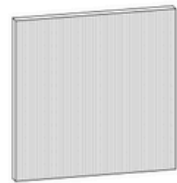

#### PANEELTYPEN

Boiserie and headboard panels are fixed on the wall by means of a MDF back panel th. 19 mm equipped with suitable hardware. The support panel is sized according to possible protruding elements on the wall itself. Its cost is included in the price of boiserie panels.

Die Boiserie- und Kopfteilpaneele werden mit einer schwarzen MDF-Rückwand, die mit den erforderlichen Beschlägen versehen ist, an der Wand befestigt. Die Rückwand wird entsprechend den Gesamtmaßeinheiten der Zusammenstellung dimensioniert, und ihre Kosten sind in denen der Boiseriepaneele enthalten.
